New Addition

Lewis & Clark Recreation Area Welcome Center

A new addition to the Lewis & Clark Recreation Area Welcome Center is taking shape. The 30' x 42' addition will feature an

interpretive staff work area and a 30' x 25' room that will host park programs. Most of the construction is being completed by park staff. District park Supervisor Shane Bertsch said " this addition will allow the park interpretive staff to offer additional programs for the visiting public". Park staff look to have the project completed by June 1st.

Also, the park district is gearing up for the busy camping season. There are several comfort stations open at Lewis & Clark, Pierson Ranch and Chief White Crane Recreation Areas. Campsites and cabins can be reserved up to 90 days in advance by going online www.campsd.com or calling 1 (800) 710-2267.
