Yankton's Great 8 to be Unveiled During National Tourism Week

South Dakota Tourism picked the Great 8 places that put South Dakota on the map. At the Governor's Conference on Tourism in January, they encouraged communities to come up with their own Great 8. After a lot of debate by the Yankton Convention & Visitors Bureau, we have come up with Yankton's Great 8.

May 1-7, 2016 is National Tourism Week. This week was established in 1983 by a congressional resolution to

Hwy 50 / 4th Street Construction

"Don't Fear the Cones"

Weekly Construction Meetings will begin March 29.

Every Tuesday, weekly construction meetings will be held

at 9 am at the

Yankton Chamber of Commerce

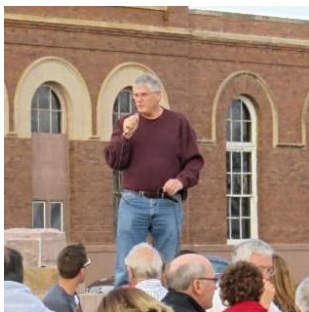

highlight how important tourism is in each community. In Yankton, tourism is our 4th largest industry. So, it was decided to bring these two initiatives together and unveil Yankton's Great 8 during National Tourism Week. Check out the P&D each day during this week (actually starting April 30th) to get a clue each day on who made the list. The Great 8 are in no particular order but by figuring out the clue and stopping at that attraction, you can register for \$50 in chamber bucks. At the end of the week when all clues are given out, we will draw a winner from each location! That's a total of \$400.00 in Chamber bucks that will be given out - and the best part - you can win multiple times if you stop at each attraction! So, get your super sleuth caps out and join in the fun as we challenge you to 'Find our Great 8!'

April Mixer

The National Park Service partnered with HyVee, 1st National Bank, Kopetsky's Ace and KYNT for the April mixer that was held April 19 at the Meridian Bridge Plaza.

Rick Clark, Superintendent at the National Park Service, Missouri National Recreational River and Don Noecker, representative of the Friends of the Missouri National Recreational River spoke to the crowd about celebrating the 100th Anniversary of the Missouri River. The beautiful spring evening was perfect to enjoy brats, beverages and mingle with other chamber members.

to discuss updates on the Hwy 50 project. Businesses are invited to attend to hear about the progress. If you are unable to attend, updates are available at www.sddot.com.
