Ribbon Cuttings & Groundbreakings

Last Friday, we celebrated the groundbreaking of Garden Estates, a new development featuring 89 lots for single-family and twin homes, priced between \$36,500 and \$50,000. These lots will be available to both builders and individuals, with a 3-year development deadline. Through this project, Yankton Thrive and our YES4 investors aim to address the housing shortage in Yankton by providing affordable lots and following South Dakota Housing's first-time homebuyer guidelines. For more information or to inquire about purchasing a lot, please visit our website at www.yanktonsd.com.
