Congratulations to the recent graduates of RTEC's Yankton Manufacturing Academy (YMA) and Avera Education & Staffing Solutions (AESS) Certified Nurse Aide (CNA) Training Camp! The joint graduation ceremony on June 14th honored 16 YMA students from 8 high schools and 8 CNA students from 3 high schools, with Julie Auch as the keynote speaker. YMA students engaged in hands-on manufacturing training and toured local manufacturers, while CNA students completed online and clinical training, earning their SD CNA licensure. The camps, led by various instructors, were offered for free thanks to numerous sponsors, and another CNA camp will be hosted in Mitchell later this summer.
